

**“What Was Your Name”**

**04-02-2013**

I was alone and afraid.  
They said I wasn't ready for you.  
They said a baby's a big mistake.  
I had no choice, it was all I could do.

God alone ordained all your days for you.  
You could have changed our world.  
I wonder what God wanted you to do.  
Were you a boy or a girl?

Woaahhhh, Woah oh oh  
Were you a boy or a girl? (Both lines twice)

What was your name?  
What were you meant to be?  
Wish I could have known you.

What was your name?  
What were you meant to be?  
Wish I could have known you,  
Before you saw, eternity.

Forgive me, for what I've done.  
Tears flood my heart.  
Forgive me, my child, my little one.  
You never had a chance to start.

Woaahhhh, Woah oh oh  
You never had a chance to start. (Both lines twice)

What was your name?  
What were you meant to be?  
Wish I could have known you.

What was your name?  
What were you meant to be?  
Wish I could have known you,  
Before you saw, eternityyyyyyyyyy.  
Eternityyyyyyyyyyyyyy

Cuz even in the darkness there's hope

That I'll see you again one day.  
And when I see your face, I'll know  
In heaven, we'll have so much to saaaaaaay  
We'll have so much to saaaaay  
We'll have so much to say...

What was your name?  
What were you meant to be?  
Wish I could have known you.
