

Only You

04-01-2013

V1:

We are your craftsmanship, made in the image of God
But the clay cannot be shaped alone, only You deserve the awe
Friends and family are a blessing, stars in a lonely sky
But in our darkest hours, only You can satisfy

Chorus:

Only You can fill my deepest need
Only You can give me lasting peace
Only You can still the longing in my soul
Only You can make me whole

V2:

Praise is what we live for, sweet music to our ears
But the melody can sour, only You can make it clear
Possessions can be tempting, glitter fills our eyes
But gold can leave us empty, only You can satisfy

Chorus:

Only You can fill my deepest need
Only You can give me lasting peace
Only You can still the longing in my soul
Only You can make me whole

Bridge:

So look up, look up, to Jesus
Look up, look up to Jesus
Look up, look up to Jesus
Only You can satisfy

Look up, look up, to Jesus
Look up, look up, to Jesus
Look up, look up, to Jesus
Only You can satisfy
Only You can satisfy

Chorus:

Only You can fill my deepest need
Only You can give me lasting ... peace
Only You can fill my deepest needs
Only You can give me lasting peace

Only You can still the longing in my soul
Only You can make me whole
Only You
